

# ATTENDANCE: What Parents Need To Know

School attendance is required for all children in the state of Georgia. Therefore, the expectation is that students are present at school EVERY DAY.

## WHAT IF MY CHILD GETS SICK?

- Contact the school! You may call the office, message the teachers, or contact the school counselor.
- Send in a doctor's excuse (or parent excuse) on the FIRST day that your child returns to school.
- Access make-up work in Google Classroom when your child feels better.

## WHAT ELSE CAN I DO?

- Monitor your child's attendance and track absences through your Infinite Campus Parent Portal account.
- Encourage DAILY attendance unless your child is sick.
- Contact your child's school counselor with any questions!

Taylor Sparks,  
School Counselor
